CERTIFICATE IN ADVANCED IMPLANT DENTISTRY

ABOUT DAVID GUY

David is the principal of an exclusive implant practice in Wimpole Street, London in the Harley Street Medical District. He was awarded a distinction in his MSc in Implant Dentistry from Warwick University. He completed, with Distinction, his Certificate in Restorative Dentistry at the Eastman Dental Institute, University College London. He has been awarded a Fellowship of the British Society of Oral Implantology. He has been on the committee of the British Society of Oral Implantology. He has been an Associate Fellow of the Clinical Institute of Education at Warwick Medical School and involved in teaching on the MSc course. He also completed research on Tissue Engineering for bone augmentation.

COURSE DELIVERY

The course is delivered via lectures, surgical videos and hands-on practicals. Implant planning software Nobel DTX Implant Studio is provided with training.
